

**Training & Capacity Building (TCB) Division,  
NABET  
Quality Council of India (QCI)**

The background features a central glowing white cylinder that tapers towards the top, casting a soft white glow on the surface below it. This cylinder is surrounded by a complex network of blue, glowing lines and particles that resemble data streams or neural network connections, radiating outwards from the center. The overall aesthetic is high-tech and digital, set against a dark blue background.

1. Introduction

(National & International)

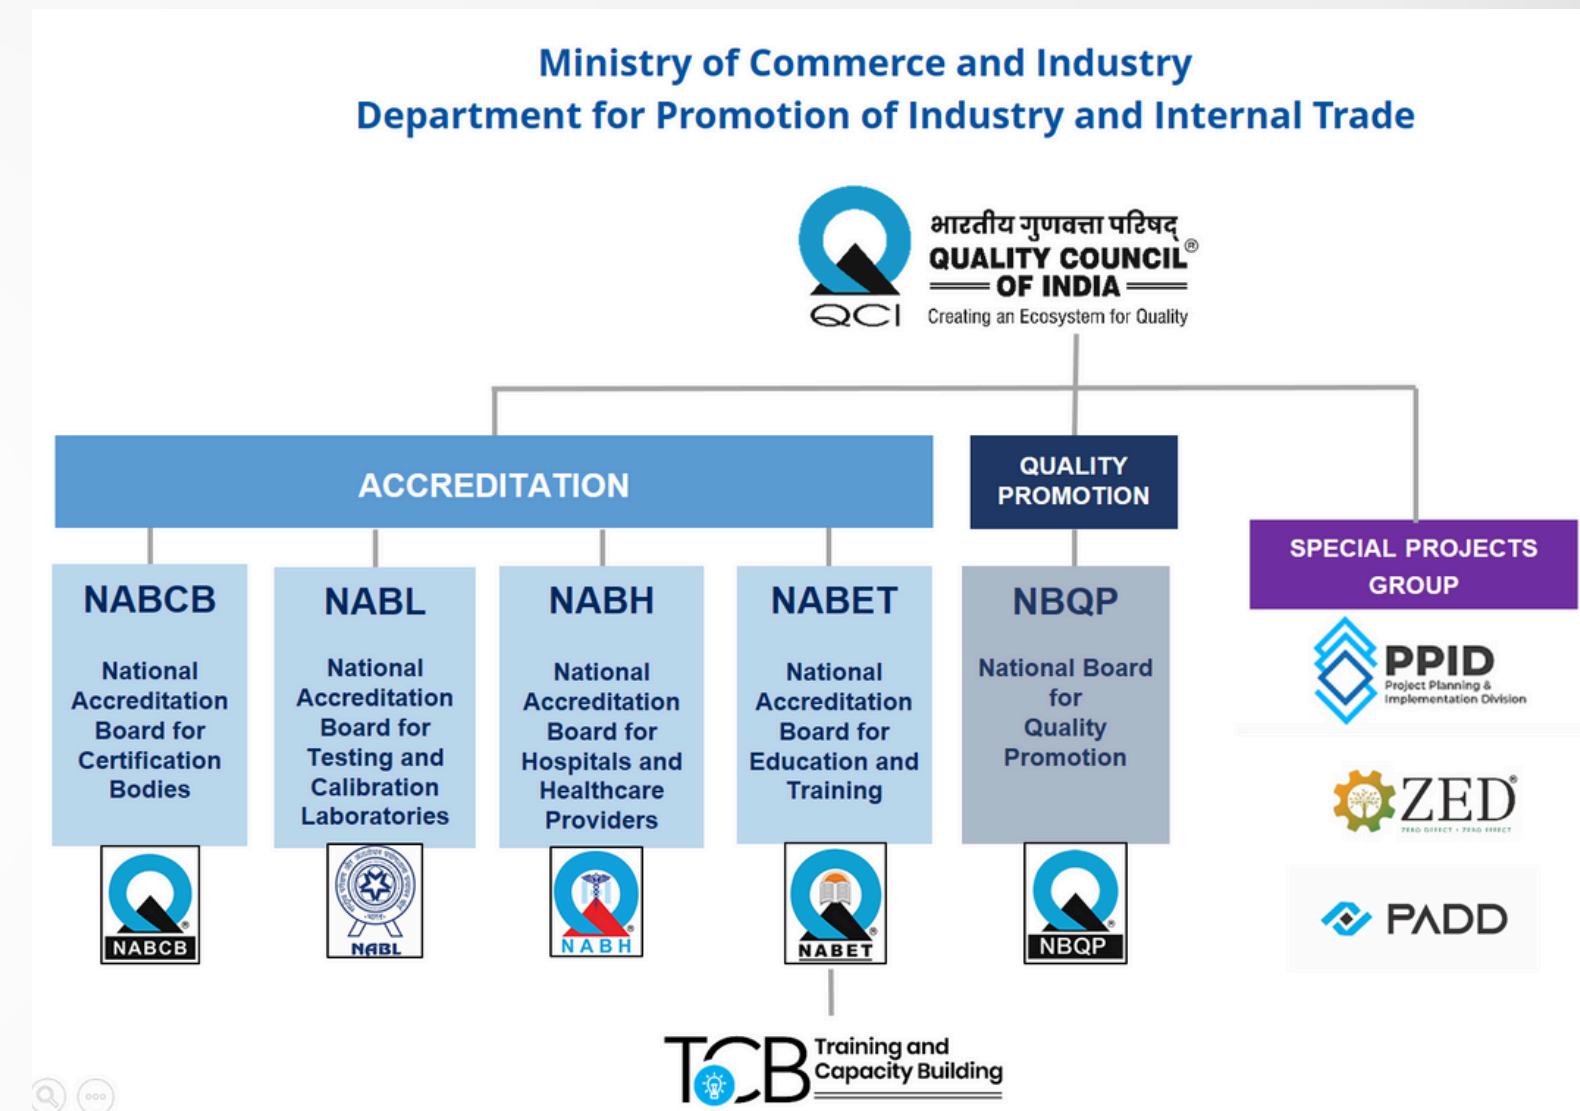

8. Inking MoUs

9. Key Exclusive Trainings

**Quality Council of India (QCI)**, an autonomous body under the Department for Promotion of Industry & Internal Trade (DPIIT), Ministry of Commerce & Industry, Government of India.

**National Accreditation Board for Education and Training (NABET)** is a constituent Board of Quality Council of India. With the growing needs of competent personnel and credible vocational training courses in various industry sectors, NABET has been rapidly expanding its scope of services to cater to the needs of the industry.

**Training and Capacity Building (TCB) Division**, under the ambit of NABET, QCI, coordinates training, awareness workshops, and capacity-building activities at the national and international levels.

## OUR MISSION

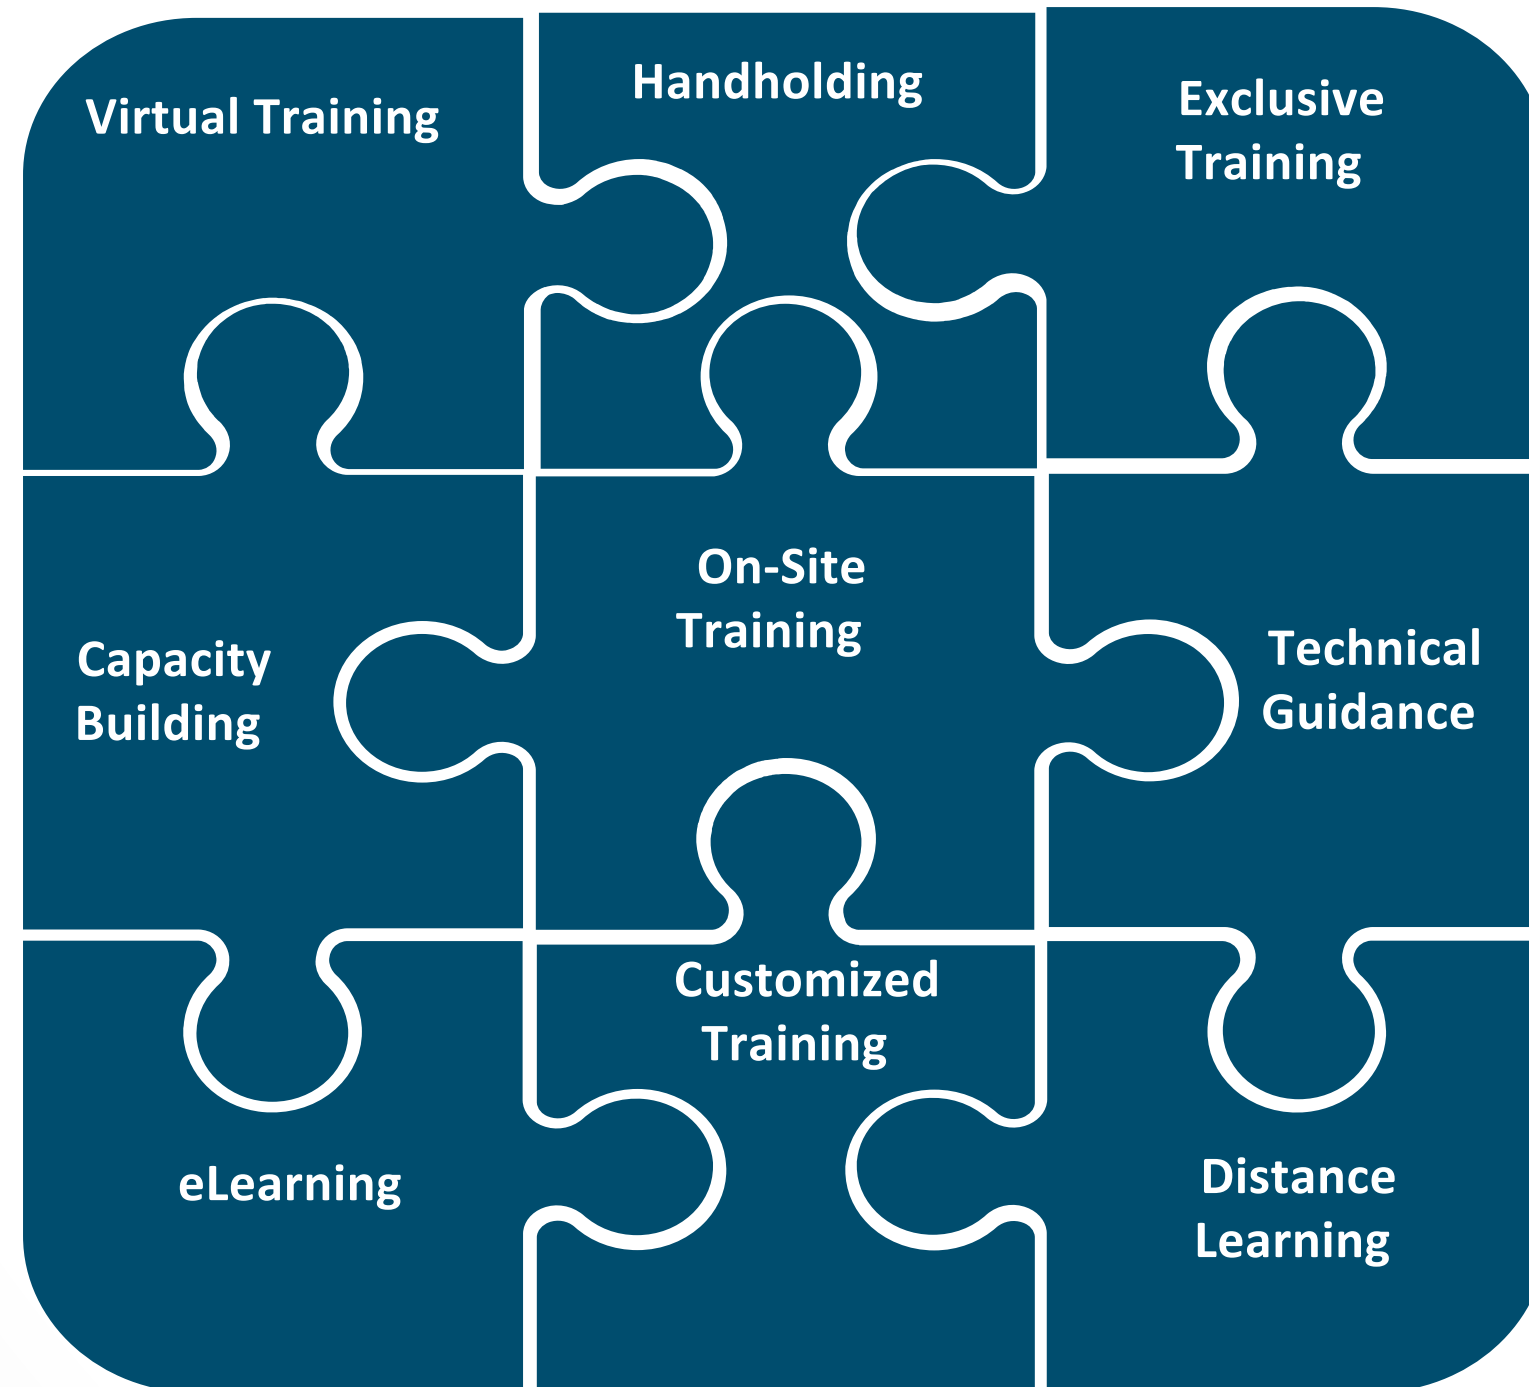

*“To contribute to the society through the pursuit of training, education, learning and garnering awareness to the highest international levels of excellence.”*

## OUR VISION

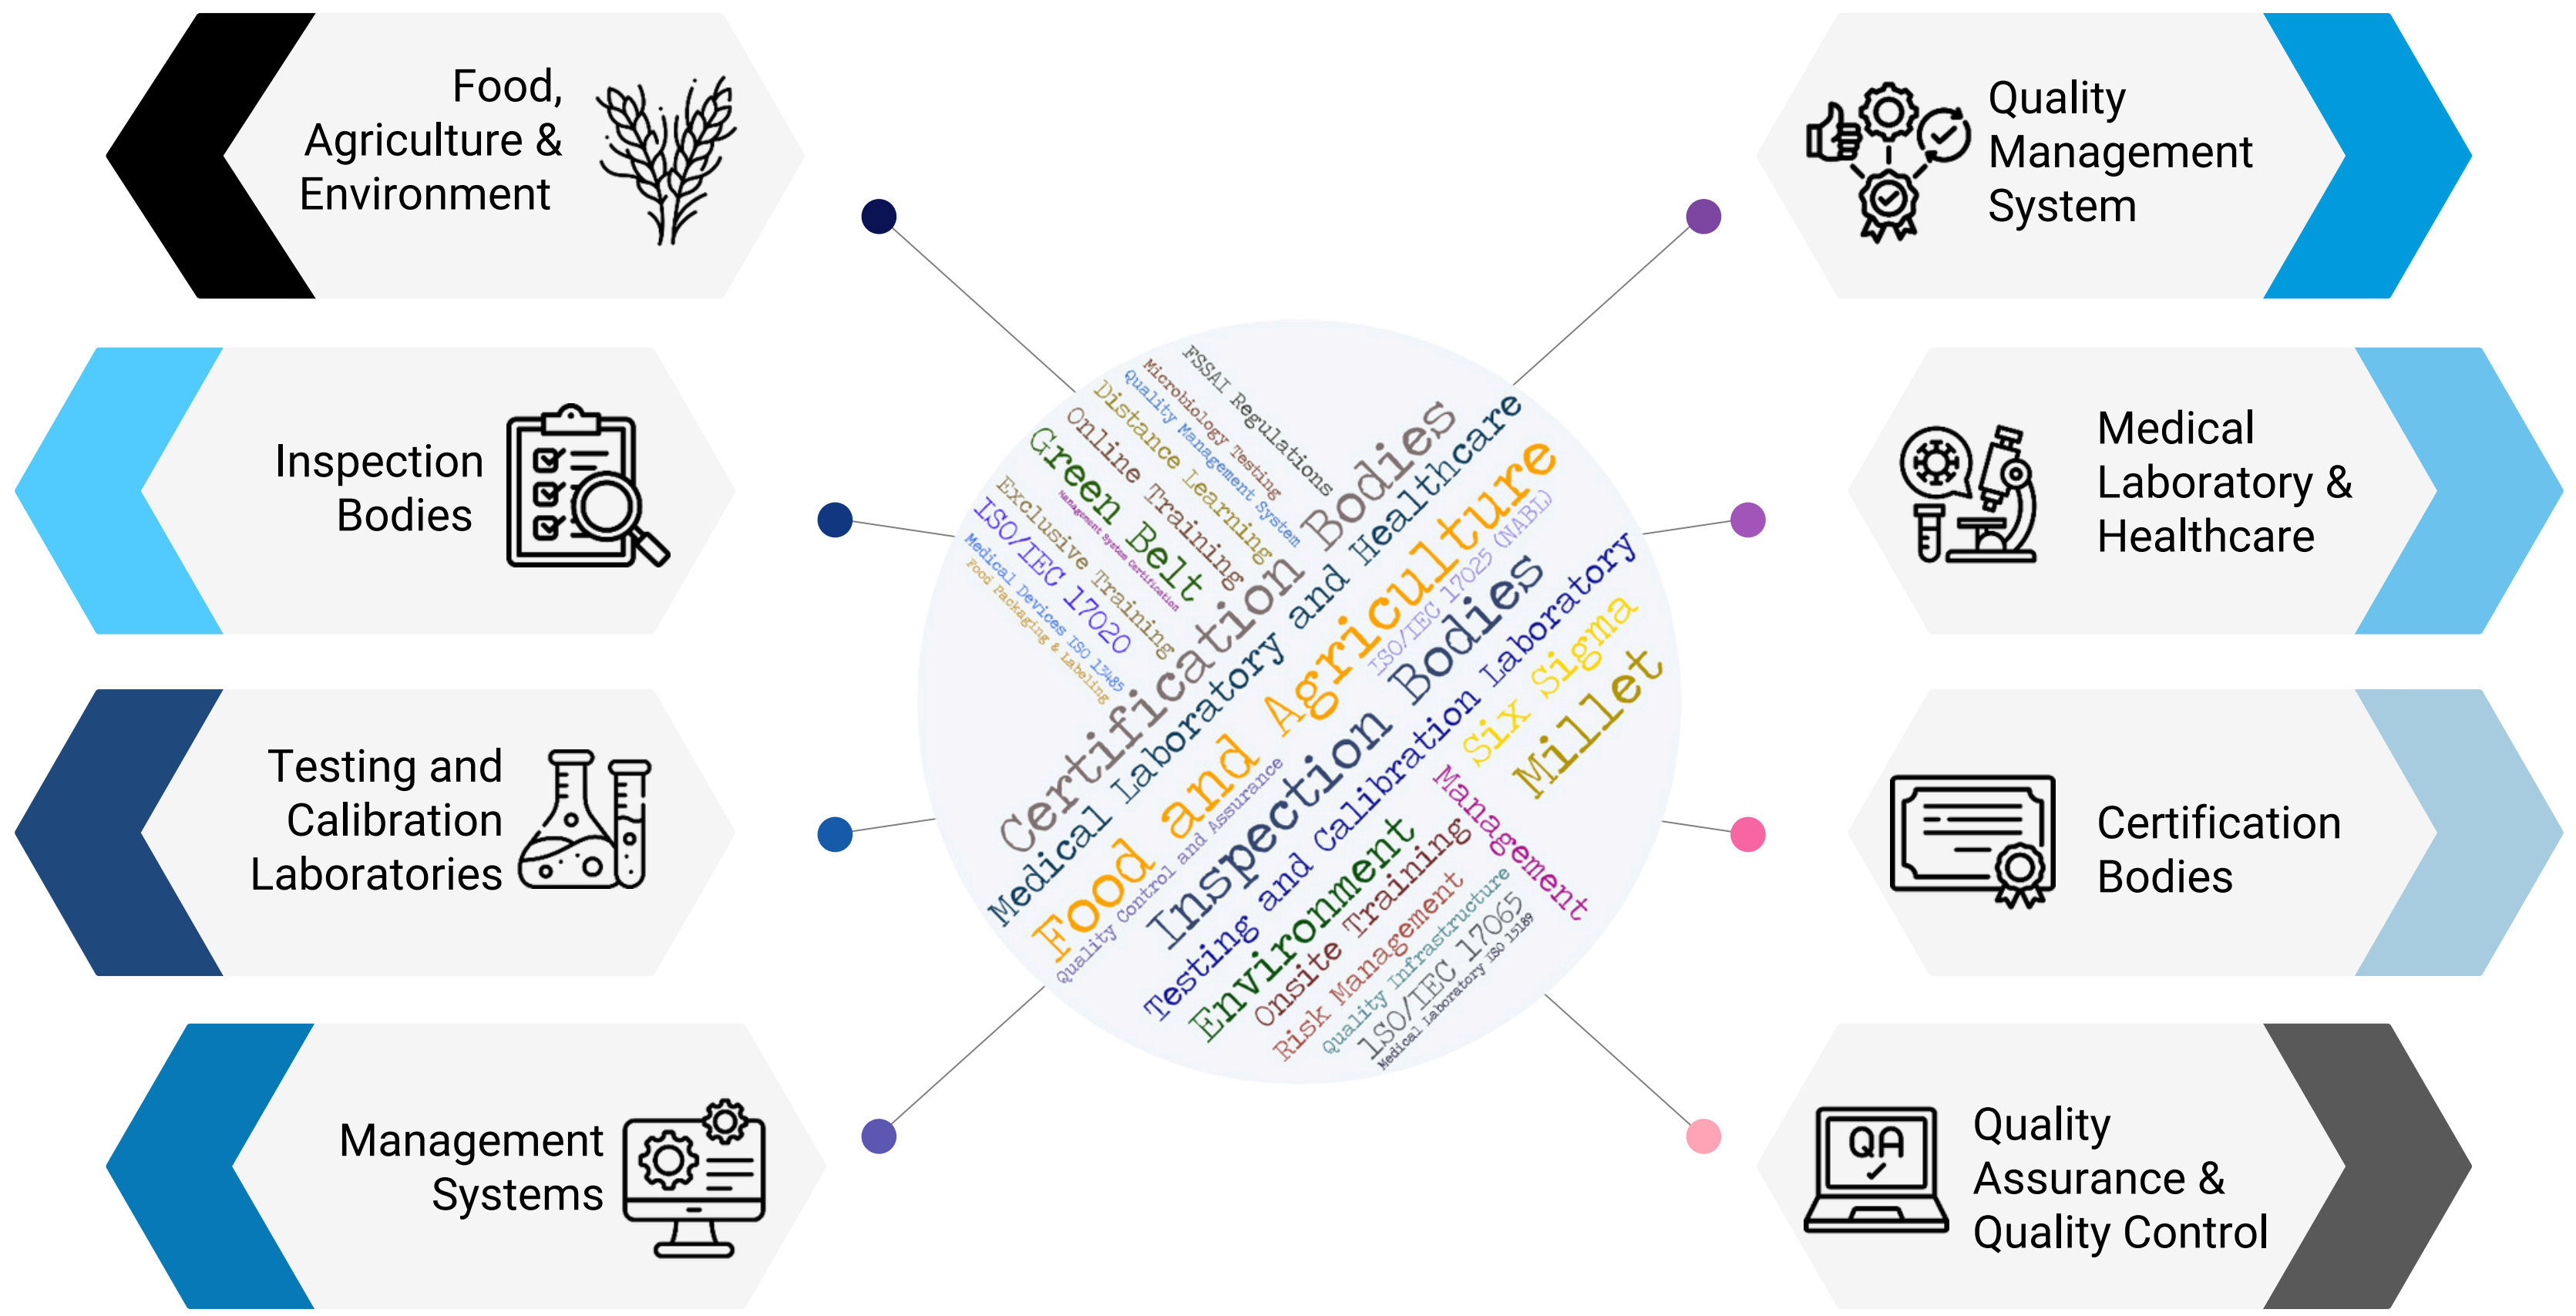

The goal of the TCB is to strengthen society by pursuing the finest attainable training, education, and awareness initiatives at the highest levels possible on a global scale. We aim to cultivate a global community of skilled professionals to meet current industry demands and lead transformative change.
